

# AFS Wiring Harnesses

Item #AFS

Gamber-Johnson has partnered with AFS (All Fleet Solutions) to sell and distribute their vehicle wiring systems and electrical components.

AFS specializes in designing and manufacturing vehicle related components. From emergency vehicle wiring systems to headlight warning devices, AFS produces products that provide safety and improve efficiency in fleet vehicles. Law-enforcement agencies have vastly improved the maintenance and servicing of their vehicle fleets by purchasing the Enforcer Harness System. This vehicle wiring system enables true "Plug-and-play" versatility in maintaining and servicing components of their vehicle fleets.

Product Warranty ([Detailed Warranty Information](#)):

- No warranty for Fuses and Solenoids
- 1 year limited warranty for Relays, Timers, Electronic Control Modules and Circuit Boards
- 3 year limited warranty for Wire Harnesses, Fuse Panels and Power Distribution Centers
