

# Short Universal Sloped Front Console Box

Item #7160-0899

## Weight

15.80 lbs. / 7.17 kg

## Dimensions

Height: 10.86" / 27.6 cm

Width: 8.75" / 22.2 cm

Depth: 17.75" / 45.1 cm

## Features

- Low profile, universal console with sloped front mounting area.
- Designed to work with Top Plate / Tunnel Plate and Leg Kits.
- Front plate of console (underneath dash) has placement for a [Power Distribution Block](#) or [Lind Shut-down Timer](#) using pre-configured mounted holes.
- Computer can be center mounted in two locations, off- set towards the passenger on the “smiley face pattern” or on the 3-bolt pattern closer to the driver for easy articulation access.
- Fully welded construction for long term product life span.
- 3 faceplates and 3 filler panels are included.
- Box will ship fully assembled (except for accessories).
- For armrest with console, will need one of the [ARMRESTS](#) for mounting off Top Plate.

## Horizontal, low profile section

- Has 4.5" (11.43 cm) of mounting space for [Internal Cup Holder](#), other accessories, or devices.
- Designed to house full-sized devices and accessories.

## Vertical, angled section

- Accommodates 7.5" (19.1 cm) of mounting space to house 1 to 2 full-sized devices.
- Two (2) 12 volt plug knockouts located on passenger side.
- PEM's for mounting mic clip (item no. 7120-0723) on both sides.
- Knockout for the [USB/AUX Input Module \(item no. 16648\)](#) or [Dual USB Power Port \(item no. 15371\)](#), located on passenger side.
- Side vented openings for air flow or mounting a speaker inside the console box.
