

2012-2019 Ford Police Interceptor® Utility Short Console with Cup Holder and Armrest Kit

Item #7170-0570-01

A fully loaded mobile office for your Ford Police Interceptor Utility. The new short console box holds everything an officer needs without getting in the way of his or her side firearm or the vehicle's gun rack. The top angled portion of the console box will house 1-4 full sized radio control heads or devices while the horizontal low-profile section will hold more control heads, short sized devices, and accessories. Located on the passenger side are four 12-volt knock-outs, a USB, and an MP3 knock-out to power your aftermarket equipment such as a cell phone, radar gun, hotspot, or a computer power supply.
