

Panorama Antennas

Item #Panorama Antennas

Gamber-Johnson has partnered with Panorama Antennas Ltd of London, United Kingdom to sell and distribute their mobile antennas.

Panorama Antennas is a leading designer and manufacturer of antennas for radio communication. Panorama’s constant cutting-edge research ensures that their antennas meet the demands of the very latest communication technologies. Panorama provides critical communications, M2M and IOT, cellular LTE and IN-building market sectors and they have particular experience in providing combination antennas incorporating multiple technologies as well as fit-for-purpose solutions tailored for challenging applications.

Product Warranty ([Detailed Warranty Information](#)):

- 1 year limited warranty
