

INSTALLATION INSTRUCTIONS

| <u>Product</u> | <u>Revision</u> | <u>Form</u> |
|--|-----------------|-----------------------|
| 7160-1396 | Rev. B | INST-996 |
| DeX Desktop Smartphone Docking Station | | Printing Spec: PS-001 |

This instruction sheet is for the Gamber-Johnson docking station only. For instructions on features, set-up, and operation of the Samsung phone or connected device, please refer to the manual provided with those products.

This docking station is designed to be used with a variety of non-mobility solutions. Installation instructions for other Gamber-Johnson products are provided with each individual product.

This instruction sheet is for the following products:

- Item No. 7160-1396-00 Samsung Note9
- Item No. 7160-1396-01 Samsung S9+
- Item No. 7160-1396-02 Samsung S9
- Item No. 7160-1396-03 Samsung S10+
- Item No. 7160-1396-04 Samsung S10
- Item No. 7160-1396-05 Samsung Note10
- Item No. 7160-1396-06 Samsung Note10+
- Item No. 7160-1396-07 Samsung S10e
- Item No. 7160-1396-08 Samsung S20+
- Item No. 7160-1396-09 Samsung S20
- Item No. 7160-1396-10 Samsung S20 Ultra
- Item No. 7160-1396-11 Samsung Note20
- Item No. 7160-1396-12 Samsung Note20 Ultra
- Item No. 7160-1396-13 Samsung S20 FE

The docking station is designed to work with products that have a USB-C female port such as the Gamber-Johnson Touch Screen (7160-1451), USB hub (7160-1393), and Charging Adapter (7300-0501). These devices deliver power to charge the phone while in use.

A matching Phone Case is required and sold separately.

- Item No. 18551-00 Samsung Note9
- Item No. 18551-01 Samsung S9+
- Item No. 18551-02 Samsung S9
- Item No. 18551-03 Samsung S10+
- Item No. 18551-04 Samsung S10
- Item No. 18551-05 Samsung Note10
- Item No. 18551-06 Samsung Note10+
- Item No. 18551-07 Samsung S10e
- Item No. 18551-08 Samsung S20+
- Item No. 18551-09 Samsung S20
- Item No. 18551-10 Samsung S20 Ultra
- Item No. 18551-11 Samsung Note20
- Item No. 18551-12 Samsung Note20 Ultra
- Item No. 18551-13 Samsung S20 FE

Product Mounting Disclaimer

Gamber-Johnson is not liable under any theory of contract or tort law for any loss, damage, personal injury, special, incidental or consequential damages for personal injury or other damage of any nature arising directly or indirectly as a result of the improper installation or use of its products in vehicle or any other application. In order to safely install and use Gamber-Johnson products full consideration of vehicle occupants, vehicle systems (i.e., the location of fuel lines, brakes lines, electrical, drive train or other systems), air-bags and other safety equipment is required. Gamber-Johnson specifically disclaims any responsibility for the improper use or installation of its products not consistent with the original vehicle manufactures specifications and recommendations, Gamber-Johnson product instruction sheets, or workmanship standards as endorsed through the Gamber-Johnson Certified Installer Program.

PRE-INSTALLATION RECOMMENDATIONS

Gamber-Johnson (GJ) recommends the positioning of all mounts and equipment prior to the actual install to verify mounting locations are safe and practical.

Gamber-Johnson strongly advises a "bench test" be conducted to verify all electronic and software issues are resolved prior to installation. Follow these steps:

1. Make sure the phone functions by itself as intended.
2. Connect a USB-hub, display, or any other equipment.
3. Insert the phone into the docking station. Verify start-up of all components and software (mouse, flashdrives, printers, etc.).

IMPORTANT SAFETY INFORMATION FOR INSTALLERS

Before Installation

Safety is dependent on the proper installation and servicing of this docking station. It is important to read and follow all instructions before installing this product. Use proper mounting equipment or hardware to secure this product.

Safety is a top priority for Gamber-Johnson. To properly install Gamber-Johnson equipment, you must have a good understanding of electrical procedures and systems, along with proficiency in the installation and service of equipment.

Do not install in a mobile vehicle as this product is not rated to the proper safety standards.

WARNING: Opening the docking station will void the product warranty. There is no need to adjust the electrical components within the hub at any time.

During Installation

When drilling into machinery or walls, ensure both sides of the surface are clear of anything that could be damaged.

Follow the bare wire installation instructions on the Gamber-Johnson touch screen, hub, or charging adapter products for safe and correct installation.

WARNING: If wiring is shorted to metal, high current conductors can cause hazardous sparks resulting in electrical fires or flying molten metal.

After Installation

Test the dock to ensure it is working properly.

1. Do not use the dock if the cable or plug is damaged.
2. Do not use the dock if water comes in contact with any part USB-C ends. Immediately disconnect power and ensure the system is dried.

File these instructions in a safe place and refer to them when performing maintenance or re-installing.

WARNING: Failure to follow all safety precautions and instructions may result in property damage, serious injury, or death.
