PANASONIC TOUGHBOOK® FZ-S1/L1 TABLET DOCKING STATION

Engineered for the demanding work environments in material handling, logistics, and transportation

Designed to work with the Panasonic Toughbook S1/L1 Android tablet, this Gamber-Johnson docking station will accommodate the tablet's rotating hand strap, large battery, and bar code reader. The USB port will provide a connection to an additional peripheral and the keyed-lock provides added security and theft deterrence for peace of mind.

Certificates & Testing
• Panasonic: Toughbook Certified
• Vibration Tested: MIL-STD 810G Operational/Non-Operational
• Shock Crash Hazard: SAE J1455; Mechanical Shock: 40G
• Cycle Test: Latch, Lock, and Docking connector - 30,000 Cycles
• Environmental: Thermal Shock; High/Low Temperature Operational & Storage
• FCC, CE and RoHS Certified
