7
YEAR
WARRANTY*

All Ledlenser lights purchased from an authorized reseller are backed by a five-year warranty. An additional two years can be added to this warranty – seven years in total – if the user registers their product. The user can simply scan the included QR code on the product registration card and follow the prompted instructions or enter the URL on a web browser. Once the product information has been entered on our website, the warranty becomes a full seven-year warranty.
