## LATITUDE 7230 RUGGED EXTREME TABLET DOCKING STATION

Engineered for the demanding work environments in material handling, manufacturing, and transportation

Designed for the Dell Latitude 7230 12 inch Rugged Extreme Tablet, Gamber-Johnson's docking station helps professionals working in public safety, material handling and the utilities complete their daily work challenges. Powered dual USB-A ports and USB-C port provide connections for scanners, printers, or other peripherals needed to support a mobile office environment and the fast dock/release saves time when taking the tablet out for your work. This docking station accommodates OEM accessories like the tablet's hand strap or magnetic mount attachment allowing for uninterrupted productivity on the job. The keyed-lock provides added security and theft deterrence.
