

INTERNATIONAL LT DASH MOUNT

Designed for your mobile work environment. A rugged and reliable solution for your device.

The International LT Dash Mount solution allows for mounting directly from the dash with no additional drilling required. With the drivers comfort and safety in mind, this design allows for positioning close to the dash and can be accessorized with Gamber-Johnson's Zirkona products or tilting brackets to form a complete solution for enhanced ergonomics and driver safety.

WEIGHT	HEIGHT	WIDTH
1.8 lbs / 0.82 kg	9.13 in / 23.19 cm	4.75 in / 12.07 cm

Features

- Designed specifically for the International LT
- No drilling required solution preventing damage to the dash
- The plate is designed with knockout to allow a clean option for relocating the USB and power port for additional charging options
- The plate option of this mount, leaves the final accessorizing option up to you. In coordination with either a tilting bracket or Zirkona for Big Rigs, you create a solution that will work the very best for your truck driver.
- Cut outs designed as part of this plate, help direct the wiring in a way that allows for a clean and professional install
- Limited Lifetime Warranty
