

MOUNTING SOLUTIONS FOR EVERY LIFT VEHICLE

Secure your tablets and equipment with our superior mounting solutions, for ultimate peace of mind. We offer a wide range of turnkey solutions that are configurable for your material handling vehicle's specific make and model. Our ergonomic solutions enhance driver efficiency, reduce installation time, speed up operations, and improve overall workplace safety.

To select the correct mounting solution for your lift vehicle follow these steps:

- 1 Note the manufacturer, model name and vehicle voltage of your lift vehicle
- 2 Select the part number from GJ mounting solutions that corresponds to your lift vehicle (multiple options may be available depending on the lift vehicle)
- 3 Should you have questions regarding the listed mounting solution or cannot find a solution that corresponds to your lift vehicle contact us at (800) 487-9220. We will help you find a mounting solution that will meet your needs.
