SAMSARA CM32 CAMERA MOUNT

## Revision

Rev A

## Form

INST-1225

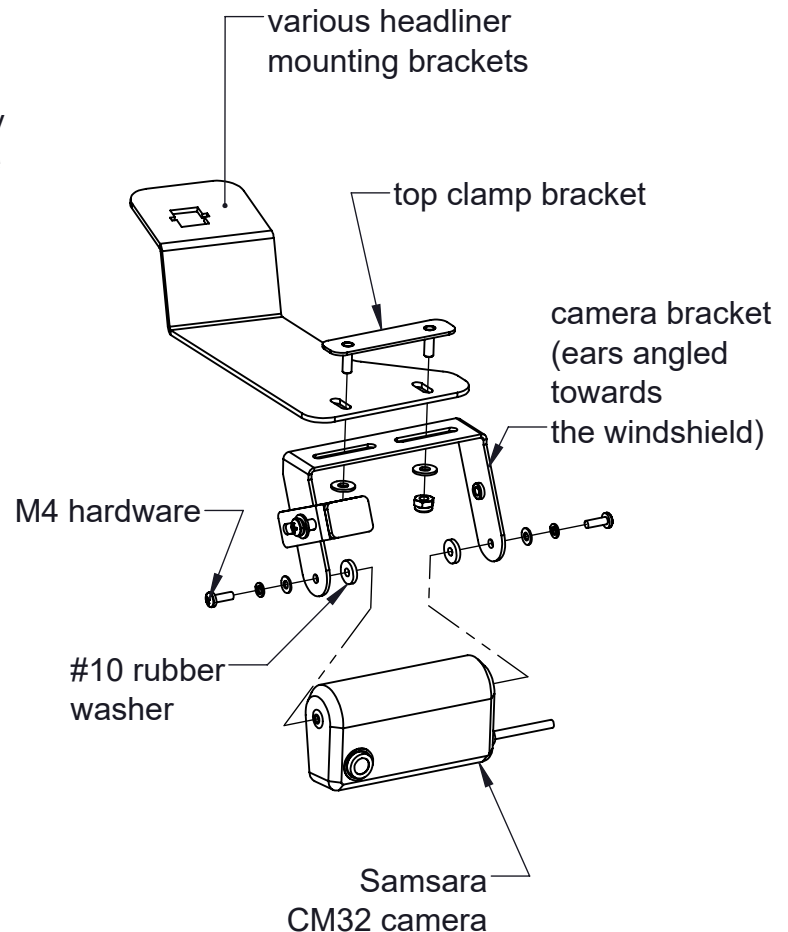

Printing Spec: PS-001

### Attaching the Samsara CM32 camera mount to the various headliner mounting brackets:

1. Attach the Samsara camera mount to the various headliner mounting brackets by inserting the top clamp bracket through the slots on the headliner bracket and through the slots on the camera bracket. Attach with the (2) #10 flat washers and nylock nuts that were provided with the camera mount.
2. Position the camera mount as far forward in the headliner bracket slots as possible and tighten in place.

### Attaching the Samsara CM32 camera to the camera bracket:

1. Attach the Samsara camera to the camera bracket with the hardware found in hardware bag # 7120-1212. Insert the camera between the camera bracket ears with the (2) #10 rubber washers between the camera and the bracket ears.
2. Insert the (2) M4 screws, lock washers, and flat washers through the bracket and into the camera to hold it in place.

#### Product Mounting Disclaimer

Gamber-Johnson is not liable under any theory of contract or tort law for any loss, damage, personal injury, special, incidental or consequential damages for personal injury or other damage of any nature arising directly or indirectly as a result of the improper installation or use of its products in vehicle or any other application. In order to safely install and use Gamber-Johnson products full consideration of vehicle occupants, vehicle systems (i.e., the location of fuel lines, brake lines, electrical, drive train or other systems), air-bags and other safety equipment is required. Gamber-Johnson specifically disclaims any responsibility for the improper use or installation of its products not consistent with original vehicle manufactures specifications and recommendations, Gamber-Johnson product instruction sheets, or workmanship standards as endorsed through the Gamber-Johnson Certified Installer Program.
