EXTENSION BARS		Printing Spec: PS-001

Item No. 7160-0363 Fork Lift Horizontal Extension

Item No. 7160-0856 Fork Lift Vertical Extension

An Extension Tube Assembly (7160-0363) can be added to a pillar to move the location of the pillar mount assembly to the front or side of the fork truck as required. This assembly attaches to the pillar with 3/8 hardware that are provided with the mount.

NOTE: Position the 3/8 mounting bolts as close to the pillar as possible to prevent slipping and bowing the components
