

For Freightliner, International, Kenworth, Peterbilt, Volvo & other OEM vehicles

LOGISTICS MOUNTS FOR FLEETS

Gamber-Johnson's logistic products bundled with a tablet or hand-held computer offer a safe and ergonomic solution when on the road for ultimate peace of mind. Our numerous cradle options offer all-day charging capabilities and our mounts are easy to install and provide a sturdy platform for a variety of devices.

MOUNT IT: CRADLES & DOCKING STATIONS

Secure your devices with a Gamber-Johnson docking station or cradle. Docking stations replicate the device's ports for easy and secure access, while cradles keep your device safe and secure without port replication. Either way — we have a solution that will meet your needs in the most secure, ergonomic configuration possible.
