Printing Spec: PS-004		
Samsung Power Pass Through Module		
Samsung Tab Active2 Full Dock w/ Pass Thru Module Kit, Auto Adaptor		
Samsung Tab Active2 Full Dock w/ Pass Thru Module Kit, Bare Wire		

This instruction sheet is for the Samsung Galaxy Tab Active2 Power Pass-Through Module only. For instructions on features, set-up, and operation of the Galaxy Tab Active2 tablet, please refer to the manual provided by Samsung with the tablet.

Using this Power Pass-Through kit with the Samsung Galaxy Tab Active2 tablet will affect the IP68 rating of the Tablet. If dust or water ingress protection is desired, then the Power Pass-Through Module should not be used with the Samsung Galaxy Tab Active2 tablet because the warranty could be affected.

Product Mounting Disclaimer

Gamber-Johnson is not liable under any theory of contract or tort law for any loss, damage, personal injury, special, incidental or consequential damages for personal injury or other damage of any nature arising directly or indirectly as a result of the improper installation or use of its products in vehicle or any other application. In order to safely install and use Gamber-Johnson products full consideration of vehicle occupants, vehicle systems (i.e., the location of fuel lines, brakes lines, electrical, drive train or other systems), air-bags and other safety equipment is required. Gamber-Johnson specifically disclaims any responsibility for the improper use or installation of its products not consistent with the original vehicle manufactures specifications and recommendations, Gamber-Johnson product instruction sheets, or workmanship standards as endorsed through the Gamber-Johnson Certified Installer Program.

PRE-INSTALLATION RECOMMENDATIONS

Conduct a "Bench Test"

Gamber-Johnson strongly advises a "bench test" be conducted to verify all electronic and software issues are resolved prior to installation:

1. Clean all the electrical contacts in Power pass through module with Alcohol Wipes.
2. The computer is not operational by itself once the Power Pass-Through Module is inserted in the tablet. The Samsung Tab Active2 tablet with Pass-Through Module must be used with a Gamber-Johnson Docking Station.
3. Insert the computer into the docking station and verify that the computer boots up and is operating.

Gamber-Johnson recommends positioning of all mounts and equipment in the vehicle prior to the actual install to verify that mounting locations are safe and practical.

IMPORTANT SAFETY INFORMATION FOR INSTALLERS

Please refer to Instruction Sheet(Inst-805) for dock set-up and operation.

INSTALLING THE POWER PASS-THROUGH MODULE

Figure 1

1. Remove the Samsung Tab Active 2 bumper case and back cover. (Figure #1)
2. Clean all the electrical contacts in Power pass through module with Alcohol Wipes. (Figure #5)
3. Remove the battery and replace with power pass through module. (Figure #2)
4. Feed Flex cable through slot of GJ tablet back cover and snap cover in place.
5. Remove adhesive liner, stick on flex cable aligned with landing pads normally used to make contact with pogo pins located in the dock. (Figure #3)
6. Put bumper case back on tablet. (Figure #4)
