# 6-IN-1 RUGGED ANTENNA KIT

The 6-in-1 Rugged Antenna Kit by Lind Electronics delivers reliable, **high performance connectivity for demanding mobile and industrial environments.**

Designed for industrial, commercial, and professional applications, this antenna integrates advanced wireless technology into a durable sharkfin housing built for real world conditions. Ideal for vehicle installations, fleet connectivity, IoT systems, and mission critical operations, the 6-in-1 antenna supports WiFi, 4G LTE, 5G cellular, and GPS/GNSS to ensure fast data transmission, accurate location tracking, and strong mobile signal performance.

**Built to withstand extreme temperatures, vibration, and harsh environmental conditions,** this rugged antenna provides dependable connectivity when it matters most. From public safety and emergency response to remote monitoring, utilities, and mobile command centers, this kit delivers the reliable communication professionals depend on in the field.

## MEASUREMENTS

WEIGHT	HEIGHT	WIDTH	DEPTH
2 lbs / 0.91 kg	8.66 in / 22 cm	2.36 in / 5.99 cm	2.1 in / 5.33 cm

## TECHNICAL SPECIFICATONS

- WiFi Frequencies: 2.4 GHz /5 GHz
- Cell Frequencies: Supports 4G LTE and 5G networks
- Included Cables: 2 Cellular Cables, 1 Wifi Cable and 1 GPS Cable (each 16 feet/5m long)
- Waterproof Ranking: IP69K
- Storage/operating Temp: -30°C - 85°C
- Mounting Screw Size: M22
- Impedance: 50 Ohms

## PRODUCT SELECTION

ITEM NUMBER	DESCRIPTION
ANTKIT06-5753-GJ	6 in 1 Sharkfin Antenna Kit (BLACK, SMA SF, CELL, WIFI, GPS)
ANTKIT06-5798-GJ	6 in 1 Sharkfin Antenna Kit (BLACK, TNC RF, CELL, WIFI, GPS)

## FEATURES & BENEFITS

- **Dual WiFi Antennas:** Deliver strong signal strength and extended range for reliable wireless connectivity.
- **Dual Cellular Antennas:** Enhance mobile network performance across multiple carriers for consistent data communication.
- **Integrated GPS/GNSS Antenna:** Provides accurate location tracking and navigation for fleet management and mission critical operations.
- **Optional Whip Antenna Support:** Allows additional customization to meet unique connectivity or application requirements.
- **Rugged Sharkfin Housing:** IP rated black enclosure protects internal components from harsh environmental conditions.
- **Universal Installation:** Compatible with a wide range of devices and systems, with rugged pigtail cables for quick and secure installation.
- **High Performance Connectivity:** Supports fast data transmission and dependable connectivity for demanding mobile and industrial applications.
- **Male SMA OR TNC Cellular Cables Included:** Includes cellular cables for easy integration with compatible cellular devices.
