Removable Workstation Tray

Revision

Rev A

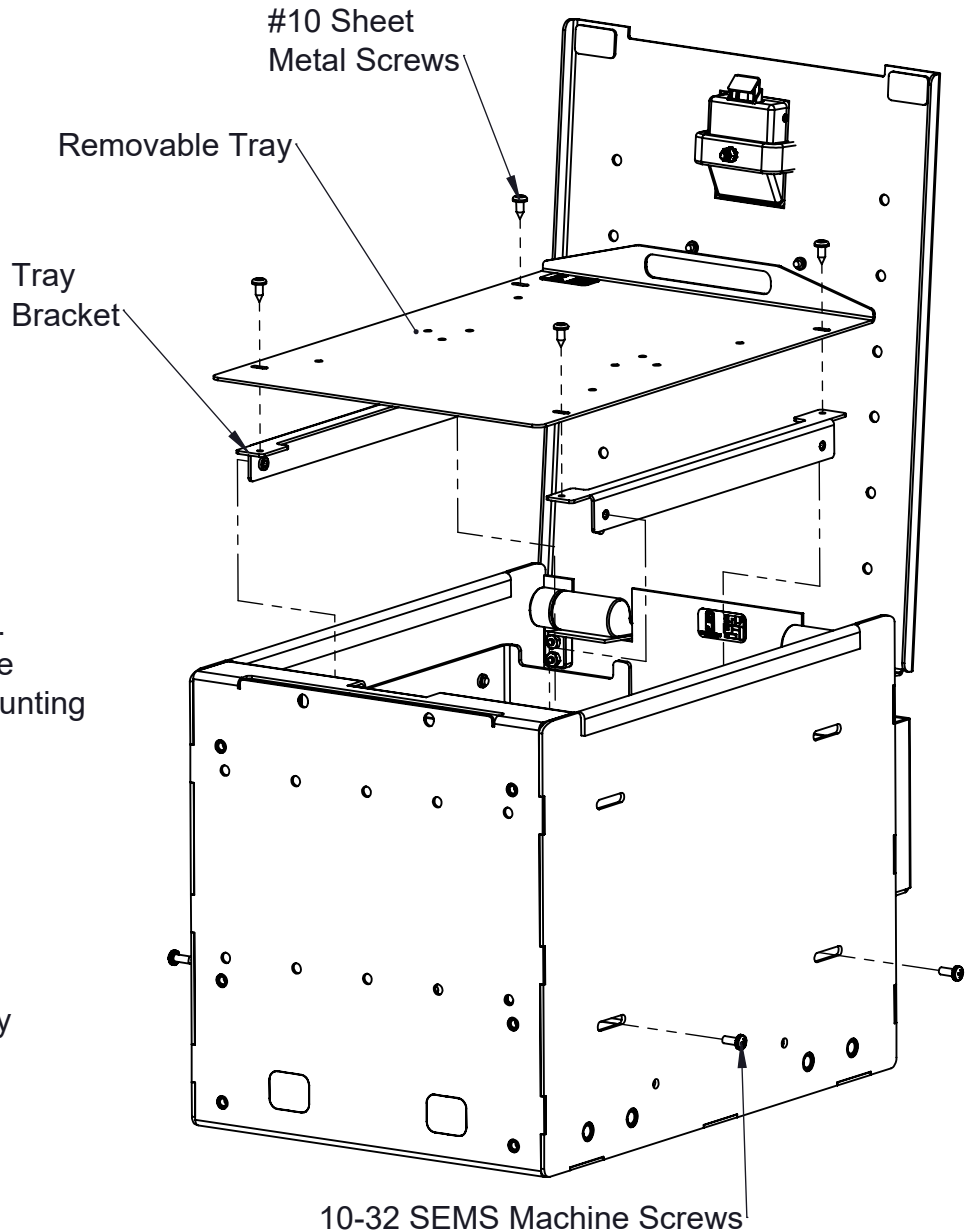

Form

INST-1195

Printing Spec: PS-001

NOTICE:

Depending on your workstation configuration, it may be necessary to remove accessories in order to install the removable tray.

Installation:

1. Using the (4) 10-32 SEMS machine screws, secure the (2) tray brackets, do not full tighten.
NOTE: the brackets can be reversed to allow mounting at 2 distinct heights.
2. Place the tray on the brackets, align the 4 mounting holes and fasten using the (4) #10 sheet metal screws.
3. Complete the installation by fully tightening the the (4) 10-32 machine screws.

Product Mounting Disclaimer

Gamber-Johnson is not liable under any theory of contract or tort law for any loss, damage, personal injury, special, incidental or consequential damages for personal injury or other damage of any nature arising directly or indirectly as a result of the improper installation or use of its products in vehicle or any other application. In order to safely install and use Gamber-Johnson products full consideration of vehicle occupants, vehicle systems (i.e., the location of fuel lines, brake lines, electrical, drive train or other systems), air-bags and other safety equipment is required. Gamber-Johnson specifically disclaims any responsibility for the improper use or installation of its products not consistent with original vehicle manufactures specifications and recommendations, Gamber-Johnson product instruction sheets, or workmanship standards as endorsed through the Gamber-Johnson Certified Installer Program.
