13.3" CAPACITIVE TOUCH SCREEN

Utilize Gamber-Johnson's new Capacitive Touch Screen as the focal point of your DeX solution

This 13.3-inch touch-screen provides a wide view display and a five-point capacitive touch screen integrated with a wide range of functionality and port replication. The 1000-nit display with adjustable brightness offers just the right view and the capacitive five-point touchscreen technology provides better accuracy and more fluid response. Combine this touch-screen with a smartphone charging cradle, multi-adapter hub, and mobile keyboard for a complete mobile office solution.

CERTIFICATES & TESTING

- MIL-STD 810G shock and vibration specifications
- MIL-STD 810G Temperature and Humidity (operational and storage)
- SAE J1455 30mph crash testing
- FCC, CE, RCM, RoH, REACH

FEATURES & BENEFITS

- Utilize this capacitive touch screen to connect devices for a complete mobile office solution
- Combine this touch-screen with a Gamber-Johnson smartphone docking station, rugged USB hub, and Rugged Lite keyboard for a complete mobile office solution.
- 13.3 inch touch-screen display, high resolution 1920 x 1080, Brightness: 50-1000 nits (adjustable)
- Ambient light sensor - automatically adjusts screen brightness
- 5-Point multi-touch technology - better accuracy and fluidity (speed) with greater support for smartphone gesture support
- Blackout button allows screen to be blacked out for privacy or to minimize driver distraction without having to reboot the touch-screen
- Brightness and Volume buttons enable adjustments to be done right on the touchscreen
- Programmable Emergency button - send instant notification in case of an emergency
- Sleep mode to reduce power consumption when not in use.
- Bottom-facing ports with integrated cable restraint system
- Integrated stereo speakers allow for sound directly from the computing device
- Warm up indicator light - indicates that the touch-screen is powered up
- Anti-glare coating to reduce glare for better visibility
- VESA 75mm and 100mm mounting holes
- Includes the following cables: HDMI, USB type B, and power cable with bare wire end
