LIGHT BRACKET MOUNTS

Connecting Safety with a Rugged Solution to any Material Handling Environment

Gamber-Johnson light bracket mounts allow users to safely mount their lights within minutes utilizing our fieldtested mounting equipment. Reduce hours of labor developing custom brackets and save on overhead costs by going with a solution that is as rugged as it is reliable. Solution installation is a breeze with our no-drill mounting solution, never jeopardizing the safety or integrity of the cab structure.

PRODUCT MEASUREMENTS

ITEM NO.	WEIGHT	HEIGHT	WIDTH	DEPTH
7160-0610	3.8 lbs / 1.72 kg	5.38 in / 13.67 cm	2.00 in / 5.08 cm	3.63 in / 9.22 cm
