DELL 10" RUGGED TABLET DOCKING STATION

Optimize your productivity in material handling, logistics, manufacturing and public safety with Gamber-Johnson's docking station.

Designed for the Dell 10" Rugged Tablets, Gamber-Johnson's docking station helps professionals working in rugged environments face their daily work challenges with ease. Powered dual USB-A ports and USB-C port provide connections for scanners, printers, or other peripherals needed to support a mobile office environment and the patented latching design allows for fast docking and release to save time when taking the tablet out for work. This docking station accommodates OEM accessories like the tablet's hand strap or magnetic mount attachment allowing for uninterrupted productivity on the job. The keyed-lock provides added security and theft deterrence.

PRODUCT MEASUREMENTS

ITEM DESCRIPTION	WEIGHT	HEIGHT	WIDTH	DEPTH
