SAMSUNG DEX HEADS UP VEHICLE KIT

A complete vehicle DeX solution - you supply the Samsung smartphone.

Gamber-Johnson's Heads Up DeX solution positions the smartphone in the driver's view - while using the phone as a second screen or a touchpad device. The Heads Up DeX vehicle kit combines your Galaxy smartphone with a touch screen, keyboard, and special mounting equipment to provide an ergonomic desktop experience in your vehicle. Easily transition from office to vehicle with access to all your DeX optimized applications.

KIT INCLUDES

Gamber-Johnson 13.3" Touch Screen

- 5-point capacitive touch
- I/O: DC Power In, Audio 3.5mm, HDMI, VGA, USB Type B,
- (2) USB 3.0 (fast-charging 1.5A), USB Type C (fast-charging)
