UNIVERSAL PHONE CHARGING CRADLE

The perfect solution to position your device within the driver's view while on the go.

This cradle features adjustable arms and an adjustable connection for compatibility across many handheld devices, replace the removable USB-C cable with different charging or data cables for universal device compatibility. The one-button push release allows for easy one-handed operation, pair the Universal Phone Charging Cradle with a Zirkona mounting solution to easily and quickly adjust the cradle for different users to obtain the perfect viewing angle. This product line also includes a Universal Phone Charging Cradle with USB-C charging and data capabilities; connect the phone to a secondary touchscreen to mirror the screen on the phone. Combine this phone cradle with a touchscreen, Rugged Hub, and keyboard to build a full vehicle desktop experience.
