CAMLOCKER HD

CAMLOCKER HEAVY DUTY TOOLBOXES:

THE TOUGHEST TOOLBOX WITH SECURITY & PROTECTION YOU CAN TRUST.

- Forged from **HEAVY DUTY .080 ALUMINUM**
- **ENHANCED WEATHERSTRIPPING** blocking all outside elements

BUILT FOR THE TOUGHEST JOBS, CamLocker HD Toolboxes are forged from rugged .080 aluminum and engineered to protect what matters most.

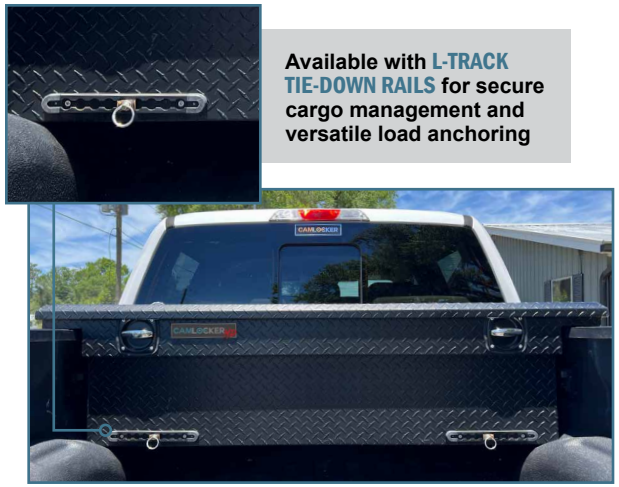

ENHANCED WEATHERSTRIPPING seals out snow, dust, moisture, and the elements, while a fully carpeted interior keeps your tools and gear clean and protected.

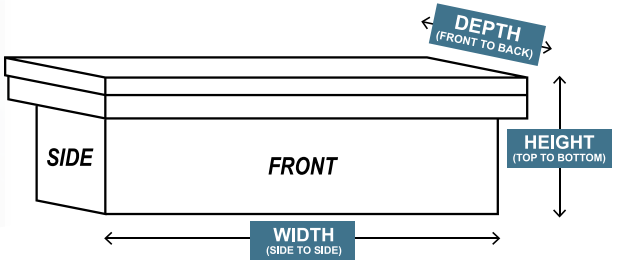

Industry-leading locking T-handles, a unique key system, and over 75 exclusive key codes deliver **UNMATCHED SECURITY.**

With hidden key codes and restricted-access key blanks available only to CamLocker owners, you can trust that your valuables stay secure wherever the job takes you.

We take pride in supplying THE BEST ALUMINUM TOOLBOXES & ACCESSORIES on the market.
