Since 1954, we have been dedicated to providing **RUGGED**, **RELIABLE**, and **RESPONSIVE** solutions that empower professionals in the field.

Thank you for choosing Gamber-Johnson.

Welcome to your new **Gamber-Johnson Accessory Mount**—engineered for **mission-critical reliability** in the toughest environments. At Gamber-Johnson, we understand that your technology is more than a tool; it's a lifeline. That's why our rugged mounting solutions and docking stations are designed to integrate seamlessly with your equipment, ensuring **secure connections** and **reliable performance** wherever your job takes you.

This guide will walk you through the safe and effective installation of your **Accessory Mount.**

Inside, you'll find:

- Step-by-step installation instructions
- Images for easy reference
- Essential safety information to ensure proper setup and operation

Our commitment to **quality**, **durability**, and **rugged reliability** is built into every product we make.

Important: Before you begin, please carefully review all safety instructions provided in this guide. For vehicle applications, we recommend professional installation by qualified technicians with experience in automotive electrical systems and aftermarket vehicle equipment installation.

For additional product information, installation tips, or support, please contact your Gamber-Johnson representative at **+1 800.756.9198** or visit **www.gamberjohnson.com**.

5-6	**Installation**
7	**Warranty**

⚠WARNING

You must read and follow all of these installation instructions. Failure to follow the installation instructions may result in serious bodily injury or death

DO NOT install or use this assembly in the area in which the airbag on the vehicle may be deployed. The installer and user of this assembly are responsible for installing and using this assembly outside the area in which an airbag may be deployed. (See Product Mounting Disclaimer Below)

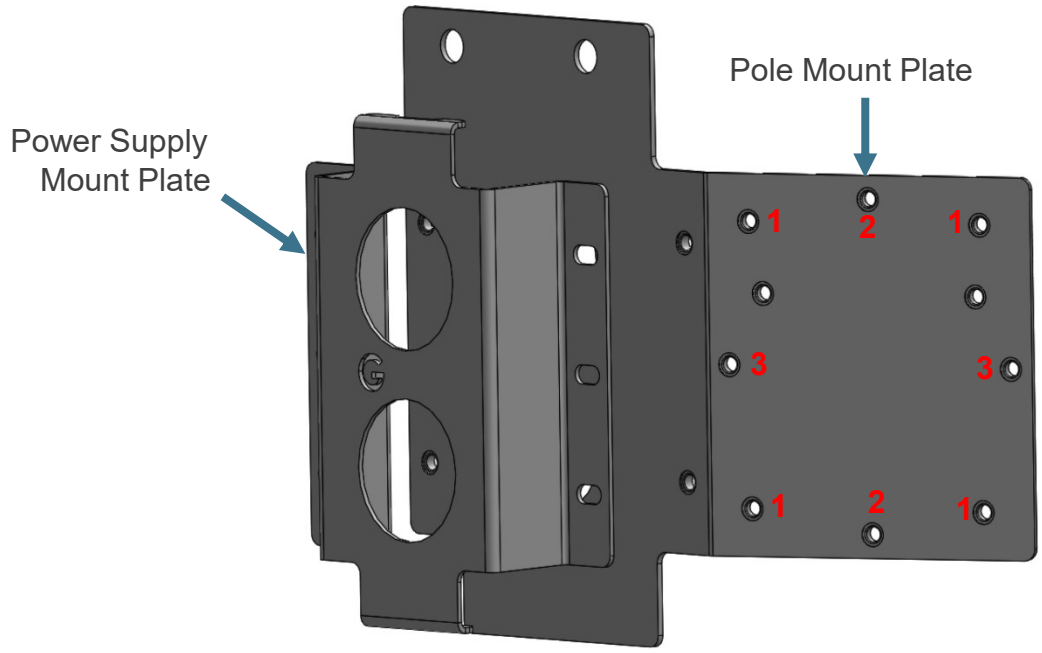

If the installation of the equipment requires that the equipment (or any additional equipment that is added to the installation) be placed in front of an airbag, the airbag should be deactivated. In order to secure permission for deactivating the airbag you must contact the National Highway Traffic Safety Administration at 1-800-424-9393 to gain permission to do so. If you have any questions or need assistance, call Gamber-Johnson at **+1 800-756-9198**.

High speed vehicle turns may cause parts of the assembly to swivel, interfering with the driver or other equipment.

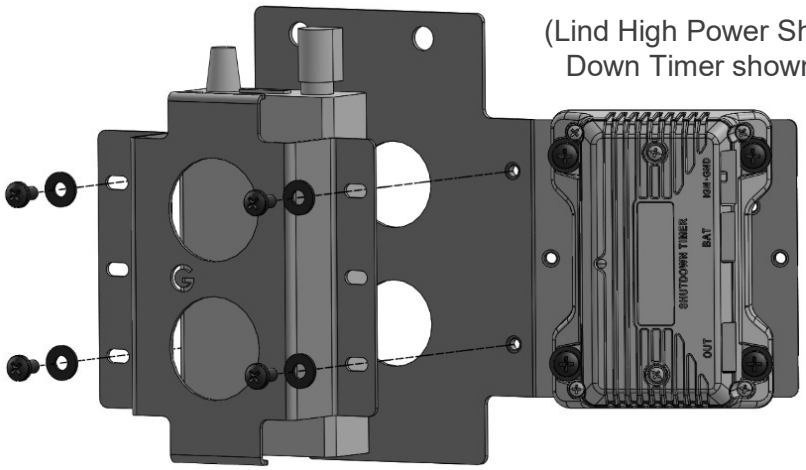

Keep these installation instructions with the product and readily available in the vehicle for future reference of other users of the product.

Additional copies of the installation instruction can be obtained from Gamber-Johnson. If you need assistance or have any questions, go to www.gamberjohnson.com or call Gamber-Johnson at **+1 800-756-9198**.

DO NOT remove any warning labels from the product under any circumstances.

	POWER TIMER MOUNTING LOCATION
1	Lind High Power Shutdown Timer (GJ P/N – HPT1280-5773-GJ)
2	AFS DVT-01 Dual Voltage Timer
3	Volt Vault Pro Shut Down Timer (GJ P/N – 7300-0410)

(Lind High Power Shut Down Timer shown)

Figure 1

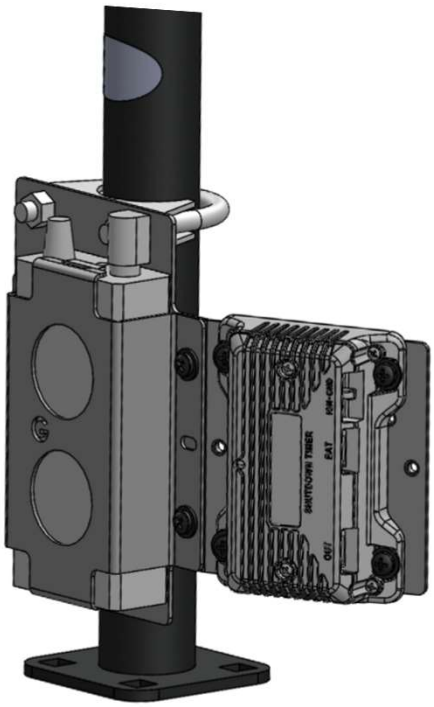

Figure 2

1. Place the power supply in the Power Supply Mount Plate fuse side up and attach it to the Pole Mount Plate using (4) #10-32 X .375” screws with washers from hardware bag 7120-0989. (Figure 1)
2. Attach the shut down timer to the Pole Mount Plate in the correct mounting location as outlined on previous page using #10-32 X .375” screws and washers from hardware bag 7120-0989. (Figure 1)
3. Attach the Pole Mount Plate to the Lower Pole using the U-Bolt from hardware bag 7120-0989. Adjust the height to best suit the application. (Figure 2)
