PRODUCT GUIDE

Zirkona Seat Rail Mount

PRODUCT NUMBER(S)

7110-1488 (Replaces 7110-1229)

Zirkona is a sub-brand under Gamber-Johnson, LLC and a part of the Team GJ Product Portfolio.
For more language options and/or questions, please contact a Gamber-Johnson representative at **+1 800.756.9198**

Zirkona, a Gamber-Johnson brand, was originally developed for the European market, where compact vehicle cabins demanded flexible, space-saving mounting solutions.

Today, **Zirkona** is an integral part of our **Team GJ product portfolio**, helping us deliver complete mounting solutions across a wide range of applications.

Welcome to your new **Zirkona Seat Rail Mount**— engineered for **mission-critical reliability** in the toughest environments. This guide will walk you through the safe and effective installation of your **Seat Rail Mount.**

Inside, you'll find:

- Inventory list of what's included
- Step-by-step installation instructions
- Images for easy reference
- Essential safety information to ensure proper setup and operation

Our commitment to **quality**, **durability**, and **rugged reliability** is built into every product we make.

Important: Before you begin, please carefully review all safety instructions provided in this guide. For vehicle applications, we recommend professional installation by qualified technicians with experience in automotive electrical systems and aftermarket vehicle equipment installation.

For additional product information, installation tips, or support, please contact your Gamber-Johnson representative at **+1 800.756.9198** or visit **www.gamberjohnson.com**.

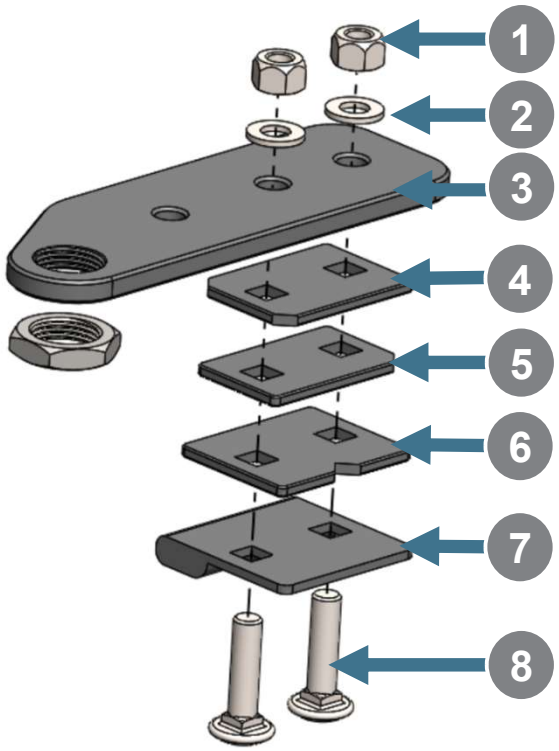

⚠WARNING

You must read and follow all of these installation instructions. Failure to follow all of these installation instructions may result in serious bodily injury or death.

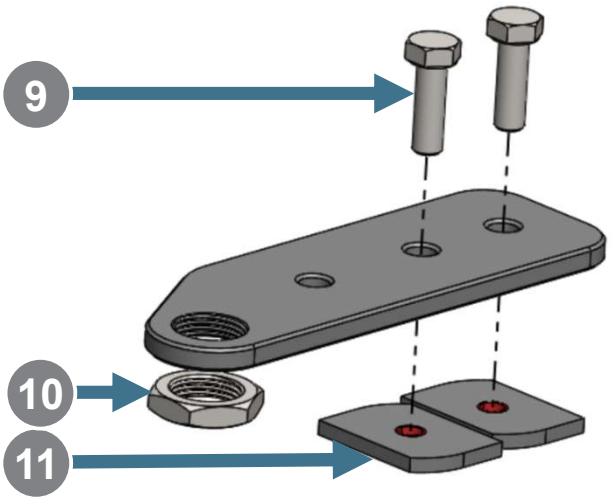

Do not install or use this product in the area in which the airbag on the vehicle will be deployed if it is activated. The installer and user of this product is responsible for installing and using it outside the area in which an airbag will be deployed if activated. (See Product Mounting Disclaimer Below)

Keep these installation instructions with the product and readily available in the vehicle for future reference of other users of the product.

Additional copies of the installation instructions can be obtained from Gamber-Johnson. If you need assistance or have any questions, call Gamber-Johnson at **+1 800-759-9198**.

Option 1 – Components included for installation using carriage bolts

Option 2 – Components included for installation using hex head bolts

* Use appropriate size anchor plate for the application based on seat rail width.
The mount will not work with all seat rail designs. Airbags or power seat mechanisms may block mounting surfaces.

	DESCRIPTION
1	(2) M8 Nylok Nuts
2	(2) M8 Flat Washer
3	Base Plate (Can be flipped over to achieve desired clearance of mounted attachment)
4	35mm wide Anchor Plate (2 corners cut)*
5	30mm wide Anchor Plate (1 corner cut)*
6	40mm wide Anchor Plate (notched along edge)*
7	Base Plate Offset Anchor Plate (used on uneven surfaces, placed between the base plate and rail)
8	(2) M8 x 30mm Carriage Bolts
9	(2) M8 x 25mm Hex Head Bolts
10	M20 X 1.5 Thin nut (Used to lock Zirkona attachment to base plate)
11	(2) Threaded Anchor Plates

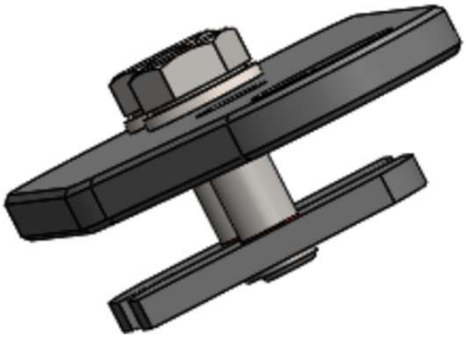

Figure 1

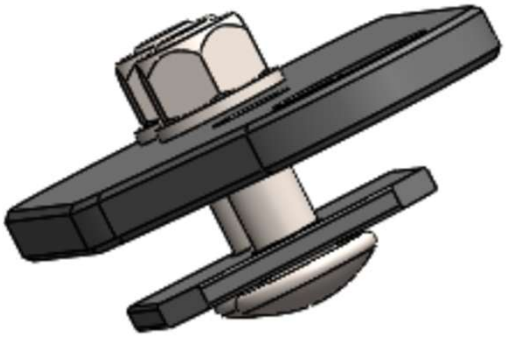

Figure 2

1. Determine the installation configuration, anchor plate width, and orientation of the base plate that best fits the vehicle the mount is being used in.
2. Loosely assemble the chosen mount configuration as shown. (Figures 1 and 2)

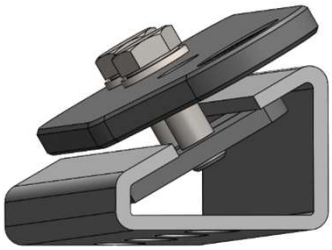

Figure 3

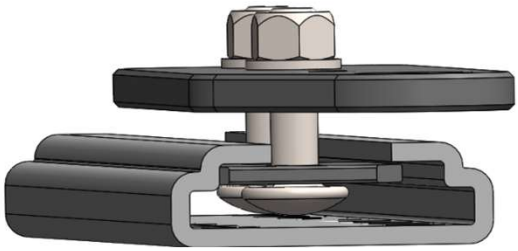

Figure 4

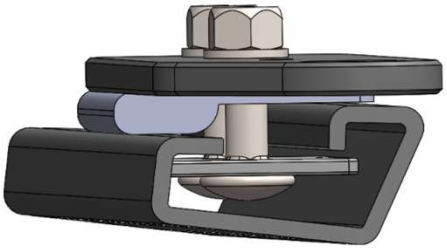

Figure 5

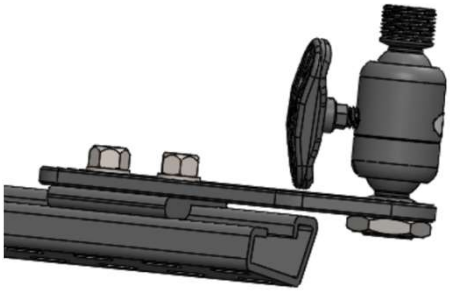

Figure 6

1. Slide the loosely assembled mount configuration into the seat rail as shown and tighten the fasteners in the desired location. (Figures 3, 4, and 5)
2. Attach the desired Zirkona attachment to the base plate's M20 X 1.5 threaded hole.
3. Install and tighten the included M20 thin nut to lock the attachment in place. (Figure 6)
